Memorial Day 1976

Editorial, D.C.J.

Memory is bittersweet. When we reach back into the past, we uncover both what was and might have been. This year we complete 200 years of a great experiment. If Thomas Jefferson were here for this celebration, how would he find the United States of America? Jefferson was 33 years old when he put pen to paper and wrote a document of sweeping vision and courage. What kind of odds stood against the Declaration of Independence? What sort of courage led his compatriots to pledge their life, their liberty and their sacred honor in signing what Jefferson himself described as the "Holy Bond of our Union"? The chance that a weak collection of colonies with no navy, no army, no organization or unity winning a victory against one of the great powers of the world was slim indeed. No greater trust was ever placed in the individual

than in 1776. Jefferson and all the men who considered his document and signed it were visionaries, however, in full touch with reality. Jefferson's second paragraph began, "We hold these truths to be self evident; that all men are created equal; that they are endowed by their creator with inherit and inalienable rights; that among these are life, liberty and the pursuit of happiness; that to secure these rights governments are instituted among men deriving their just powers from the consent of the governed..." The heart and soul of our free system can be found in these words not the least important of which are the words "created equal". Jefferson, the realist, knew that, once born, the individual could only be guaranteed a free climate to pursue his own destiny. The pursuit of happiness was up to the person. Free people could seek, strive and rise to whatever level that talent and effort would take them. The state of happiness could never be guaranteed since it is only the result of individual effort and personality.

Jefferson was philosopher, scientist, architect, musician, author of the Declaration and reluctant politician. Yet, with all of our advantage of 200 years of progress in every field of science and letters, we should be supermen if we stood in his presence. Would we? I think not. De-

pendence and greed have twisted the purity of the American dream. We look to government to guarantee lifelong equality and so we force all into a mold of mediocrity. We look to the government to guarantee solutions to all problems and we so force all citizens into subjection to a bureaucracy. We expect a faceless, all powerful government to finance any extravagance and, in this process, force those working into slavery to an ever mounting debt and inflation.

Thomas Jefferson, were he to join us on Memorial Day 1976, would see no supermen and very little sacred honor. He would have occasion to quote again, "I have sworn upon the alter of God eternal hostility against every form of tyranny over the mind of man". So saying, Jefferson, the leader, would assume the struggle not against King George but the more powerful tyrant - the United States' welfare state.

Honor to the memory of our dead is a charade if we are unwilling to keep their ideal of liberty vital and alive. Celebration of 200 years of liberty is a sham, if, already,

Two centuries later the odds against government by the people remain just as high as in the beginning in 1776. Liberty is incompatible with security. This is a good point to recall on a day of memory.

Less than a century ago, automobiles so scared the average person that outlandish laws were suggested to restrict their use. A proposed Pennsylvania ordinance would have required a driver to stop his car every mile, send up a rocket, and wait 10 minutes to make sure the road was clear.

LIBRARY TRUSTEE NOMINEE

Barbara Cornish was proposed by Beatrice Johnson and Paul Myers, Library Trustees, to be a member of that Board. They said that of all the applicants she was the best qualified having spent all of her life in library work. She has been a 4-year permanent resident of the town. A library trustee will be appointed by a joint Selectmen and Trustee vote.

BROCHURE LAYOUT READY

George Stein presented Selectmen with a rough layout of a brochure designed by the Mattapoisett Industrial Committee to attract firms to Mattapoisett's Corporate Park. Mr. Stein said that the brochure will also be valuable to real estate and town business men. The folder is a full color illustrated piece containing views of the town harbor, beach, educational facilities and layout of the Corporate Park in relation to Route 195 and location in Massachusetts. The text described the community, the climate and a brief history. It will fold to be mailable. Mr. Stein invited the Board of Selectmen to make suggestions and will confer with them within a period of two to four weeks. He said that the printing would be excellent practice for the Graphic Art Department of Old Colony Vocational School should they wish to undertake it and the committee would like to provide them with the opportunity to do it.

WHARF RULES

A set of wharf rules was submitted in written form from Wharf Commissioner Norman Soares. The Selectmen said they would study the proposals and make future decision.

BICENTENNIAL & MEMORIAL EVENTS

John DeCosta, chairman of the Bicentennial Committee, presented Selectmen with a complete schedule of events for the June 20 to 26th Mattapoisett celebration. A busy week of events is planned.

JIFFY woodsplitter

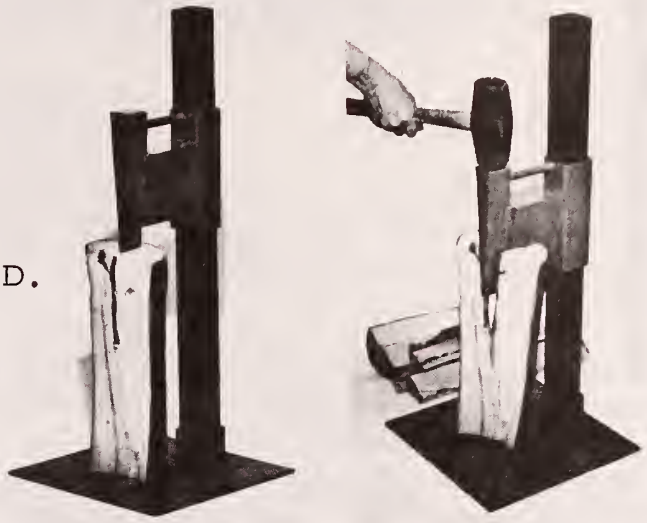
Makes Woodsplitting Easy

NEW "GUIDED WEDGE" SPLITTER
.. A SAFER, EASIER, QUICKER WAY TO SPLIT WOOD.

- For the "Do-it-yourselfer" or Professional.
- No axe, hatchet or other wedge needed.
- Instantly adjustable to logs up to 30" long.
- Logs held firmly in place allowing for safe, hands-off operation.
- Makes kindling with ease and safety.
- Easily carried to the job.

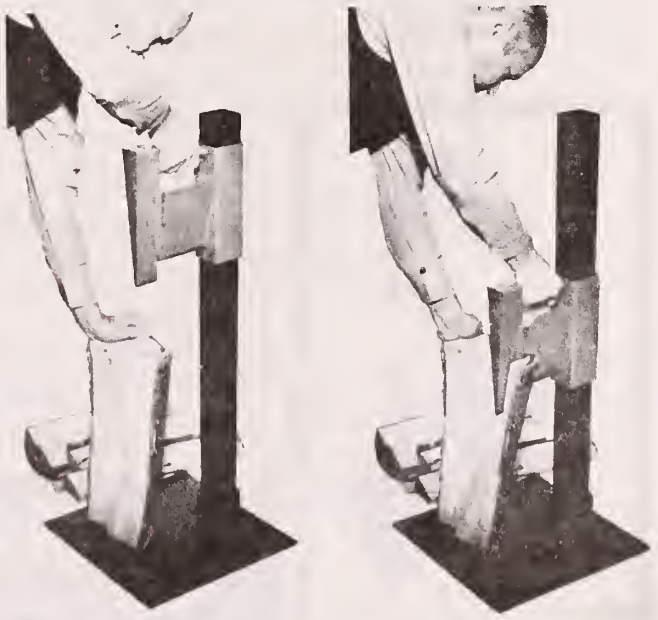
Patent Pending

$89.95



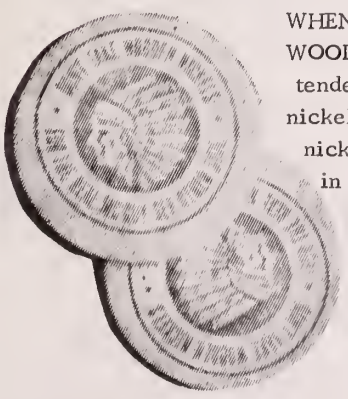
Simply lower the guided wedge so that its weight holds the log in place. Then drive the wedge through in the conventional manner. The wedge will not jam because the inner wedge has a wider taper that follows the leading wedge through.

Jiffy's guided kindling cutter makes another hazardous job safer. When making kindling, simply raise the cutter with the lifting handle and let "Jiffy" do the work for you.



The "Jiffy" is a great new woodsplitter that uses the patented - guided wedge - principle. It eliminates most of the hazard and trouble from the conventional method of splitting wood. You can still get the exercise and satisfaction from splitting your own -- but now, no more "flying wedges". Jiffy will split all your wood with ease - QUICKLY. Its patented design includes a kindling cutter that simplifies that job, too. "Jiffy" uses a flaw-tested, forged steel wedge that will stand up under the hardest service and handle any splitting job.

How much wood can "Jiffy" split? That's up to you - but Jiffy will do it safer, quicker and easier than ever before.



WHEN YOU SHOP WITH US, WE'LL GIVE YOU WOODEN NICKELS (in addition to your legal tender change, of course) .. You turn the nickels in to the Plymouth-Home Bank. Each nickel collected by the bank will be cashed in by us and used for community projects.

ST. ANTHONY'S MUNICH MAYFEST
A SUCCESSFUL SOCIAL

Several hundred guests inspired by decorations, drink, music and food of Old Munich chatted and danced lightheartedly throughout the evening at the 6th annual Mayfest held at St. Anthony's Church hall May 15th.

An old fashioned beer truck made by Bill Silveira served as the bandstand. Shuttered windows under each of which had been placed flowering geranium window boxes colorfully accented the rows of tables arranged under German street signs and banners.

Cocktails, beer, wine and German food were cheerfully served to each table by some of Mattapoisett's own "frauleins" Marian Sawyer, Karen Olsen, Wilann Miller,

MEMORIAL DAY BOAT RACE

The annual Memorial Day Boat Race on the Mattapoisett River will start at 8:30 A.M. from "Grandma" Hartley's Reservoir in Rochester and will end some two hours later at the Mattapoisett Herring Run on Route 6. Last year's winners, David Watling and Brian Sherman, are again competing. According to Chairman Joseph Ferreira, there are 55 boats registered for next Monday's race, and some entrants will come all the way from Watertown and Pittsfield to take part in this unusual contest. Of the 55 teams entered, 13 are in the Junior Division (under 13 years of age) and in this same division there are 4 teams of girls.

As in the past, cash prizes will be awarded in Junior and Senior Divisions, and a refreshment booth will be established near the finish line serving hot dogs, soda and coffee with the familiar mobile canteen known as "The Dorothy" (a gift of Mrs. Joseph Plumb).

Ward E. Benner will be in charge of refreshments. William Watling and Arthur Benner will supervise the river and its designated check points. The race, sponsored by the Rochester Firefighters' Association, has received national magazine publicity,

Since there were no other 4th grade entrants, Lisa competed with the 5th and 6th grade contestants, numbering ten in all, from across the Commonwealth. The word lugubrious was Lisa's downfall.

Lisa is the daughter of Mr. and Mrs. Michael Demakis of Alderberry Lane, Mattapoisett.

Sitting with Lisa's parents at the State Spelling Bee, in addition to Lisa's sister Nicole, were Susan Roylance, Lisa's fourth grade teacher; and Katherine L. Aurich, principal of Center School.

We were so pleased with the teachers' attendance and for their response by contributing their time and efforts to the auction.

The elementary schools of Mattapoisett represent approximately 800 children. Through this year, the Parent-Teachers' Club has been very active in various projects to support the schools.

Our biggest fund-raising project was the auction. The support from the parents was very poor. To make the P.T. C. a success in our town we need support from the parents. This is your organization and the P.T.C. supports your children.

Our final meeting which includes our electing officers will be held sometime in June. We would like to see your support.

Mattapoisett Grange

Mattapoisett Grange held its meeting last Thursday night opened by the Worthy Master Dennis Sylvia who presented the gavel to Pomona Master Donald Lowe. The meeting was conducted by him and his officers. Guests were present from Fairhaven, New Bedford, Marion, South Middleboro, West Wareham and Acushnet Granges. Honored guests were Deputy Jefferson and John Handford. Both spoke briefly.

The program, a potpourri, was arranged and presented by the Pomona Lecturer Mrs. Ollie Gifford, with members taking part in the chorale. This varied program was very much enjoyed.

It was announced that the Pomona will be guests at Mattapoisett on Saturday, June 5th, and a Bicentennial picnic will be held at Ned's Point June 27th.

Mattapoisett Grange is having its Rummage Sale Wednesday, May 26th, from noon until 6 P.M. with Kathy Buckley chairman.

Special Needs, Ages 3-5

An evaluation screening of children between the ages of 3 and 5 years who may have special needs is scheduled to be conducted on Wednesday, June 2, at 1 P.M. at Old Hammondtown School for children residing in Mattapoisett. If parents have reason to believe that their child may have a disability, either physical, emotional, or intellectual which would affect the learning ability and subsequent progress later in school, they should call Old Hammondtown School and make an

Evaluation will be made of speech, vision and hearing, general motor development, and the total development of the child. In addition, children who will be entering kindergarten in September (any child born in 1971) who has not been screened should also be brought to this session. Parents of these children should call Old Hammondtown School to confirm their intention to attend.

This will be the last screening session this school year.

Frog Contest

This year's frog contest will be held on June 5th at 12:30 P.M. at Center School. Two separate contests are being conducted: a frog impersonation contest and a frog racing and jumping contest.

Impersonation contest: contestants may be any resident of Mattapoisett. The winners will be crowned the Frog Prince and Princess. A panel of judges consisting of the Mattapoisett Selectmen and Barbara Matson, Miss New Bedford 1976, will judge the contestants on a combination of looks, sounds, and mannerisms of a frog. This event will begin at 12:30 and registration will take place on June 5th at Center School from 11:30 to 12:30. There is a nominal entry fee.
